

Terms and conditions

These Terms of Service constitute a binding agreement between yourself and Papusha Rocket Technology ICO ("**we**", or "**us**").

Papusha Rocket ICO tokens are not government recognized securities

User acknowledges, understands, and agrees that Papusha Rocket Technology tokens are not physical securities and are not registered with any government entity as a security, and shall not be considered as such.

Papusha Rocket Token (PRT) and other tokens derived from Papusha Rocket Technology team do not provide a guarantee of future returns

Risks associated with Ethereum

Papusha Rocket Tokens (PRT) will be issued on the Ethereum blockchain. Therefore, any failure or malfunctioning of the Ethereum protocol may lead to the trading network of Papusha Rocket tokens not working as expected.

Regulatory uncertainty

Blockchain technologies are subject to supervision and control by various regulatory bodies around the world. Papusha Rocket tokens may fall under one or more requests or actions on their part, including but not limited to restrictions imposed on the use or possession of digital tokens such as PRT, which may slow or limit the functionality or repurchase of Papusha Rocket Tokens in the future.

Quantum computers

Technical innovations, like the development of quantum computers, may pose a danger to cryptocurrencies, including Papusha Rocket tokens.

Risk of losing funds

Funds collected in fundraising are in no way insured. If they are lost or lose their value, there is no private or public insurance representative that buyers can reach out to.

Risks of new technologies

PRT and other tokens are a new and relatively untested technology. In addition to the risks mentioned in this document, there are certain additional risks that the team of the Papusha Rocket ICO can not foresee. These risks may manifest themselves in other forms of risk than those specified herein.
